

# MFM

**Zionsville Women in Network (ZWIN)** strives to meet in a friendly, relaxed and open atmosphere. Our focus is networking, but we also stress the importance of community involvement and building personal relationships. We meet once a month on the second Thursday of each month.

Our policy of protected business categories (One specific industry or business represented exclusively) makes it easier to network and develop our businesses.

Annual membership fee is \$96 or a prorated amount based on the date you join. You are required to attend one meeting before officially applying for ZWIN membership. **Please fill out information below and e-mail to: Brittany Babbitt at [brittany\\_babbitt@aol.com](mailto:brittany_babbitt@aol.com).**

Please note: Occasionally there may be similar applications with similar industries represented. In those cases, acceptance into ZWIN will be left to the discretion of the ZWIN selection committee after following the selection process. You will be notified of your status shortly after applying. We always keep applications on a "Waiting List" when and if a spot becomes available to join!
